

# BRING WELDING IN-HOUSE.

Without building a  
welding department.

Bring welding in-house with the setup,  
process, and operator skills your  
production needs. Build capability that  
stays with your team.

YOUR PEOPLE. YOUR PRODUCTION.

BUILD IN-HOUSE CAPABILITY

From

# \$15K

Assessment. Training. Setup.

Equipment, fixtures, and travel are priced separately.  
Your team provides the operator and covers ongoing  
production costs.
